Lectionary Readings

All the readings set for Resurrection of the Lord.

First reading: Acts 10:34-43 or Jeremiah 31:1-6
Psalm: Psalm 118:1-2, 14-24
Second reading: Colossians 3:1-4 or Acts 10:34-43
Gospel: John 20: 1-18 or Matthew 28: 1-10

Blocks

Minecraft Seed: `4012`

Build two contrasting scenes – one the scene the women were expecting to see, a closed tomb, an atmosphere of sadness and hopelessness.

Then build the scene they actually find – an open tomb, an atmosphere of joy and hope (maybe have lots of flowers and animals to express that), an angel, guards defeated and Jesus himself in the distance.

Just for fun, you could challenge yourself to build a giant Easter egg with a decorative pattern – this is harder than it sounds!

If you are on a shared world, you could have an egg hunt (if on separate worlds, swap devices), or even an egg throwing competition!

Bricks

Build an Easter garden – use a seed tray filled with soil to shape the landscape, and use moss and stones to create a path and tomb. Think about how the women felt on their way to the tomb.

Now make the garden full of joy and hope by pushing cut flowers into the garden.

If you like, you could hide something small in the garden to create a mini Easter Egg hunt.

Prayer

Easter Sunday is a triumph of joy and hope over despair.

Pray for everyone who is feeling sad and without hope. Pray that we might be able to share the good news of the Resurrection with them. Pray that they could come to know the joy and hope of Easter.

Be Inspired!

Check out these builds based on this week's reading!
