Minecraft Seed: `4014`

This week's reading is about being aware of the signs around us showing us the way God wants us to live. This week's seed is a Jungle Biome with lots to explore.

When you join a Minecraft world, are there "signs" so you know what you might find there?

Explore this world and see what you can find!

Make some signposts to help others find interesting things!

Some sugggestions:

Lush caves at 24,77,64

axolotls and tropical fish

zombies and skeletons

Jungle Temple at 80,119,191

♡ Prayer

Sometimes it is easy to be distracted and not notice when a chance to do a good thing comes along. Sometimes doing a good thing causes an argument with someone who wanted to make a different choice.

Say sorry to God for any opportunities to do a good thing that you might have missed.

Ask for help to spot them in future.

Say thank you to God for loving all of us all the time, even when we mess things up.
